

## Required Signage – Smoke-Free Ontario Act

Anywhere tobacco is sold or displayed the **Smoke-Free Ontario Act** of Ontario requires special signs to be posted.

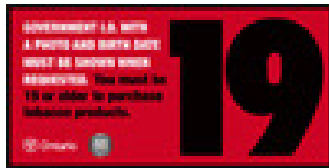

All **SFO Act** signs are available **free**. If you require signs, please [contact us](#).

### Age Restriction and Health Warning.

Put this sign where customers can see it.

This sign must be clearly visible where tobacco is displayed or sold.

### Government ID

Two of these signs must be displayed where tobacco is sold. One sign must face the customer and one must face the person who sells the tobacco.

### No Smoking Sign

Under the **Smoke-Free Ontario Act**, there is no smoking in any public area of a retail store or any workplace.

All retailers must post No Smoking signs at all entrances, exits, washrooms, and other appropriate locations in order to ensure that everyone knows that smoking is not allowed.

---

**DO NOT TAKE THESE SIGNS DOWN. WITHOUT THEM, YOU COULD BE CHARGED!**

If you are a tobacco retailer in Ontario and would like to receive a copy of one of these signs or a copy of the Retailer Information Binder, contact your local public health agency.
