

Supplying tobacco to anyone
under 19 is against the law

Third Party Supply 2010

Alex Learns a Lesson

Meet our hero
Alex.

Alex wonders
what might make
him cool.

Could it be
smoking?

Alex heads home...

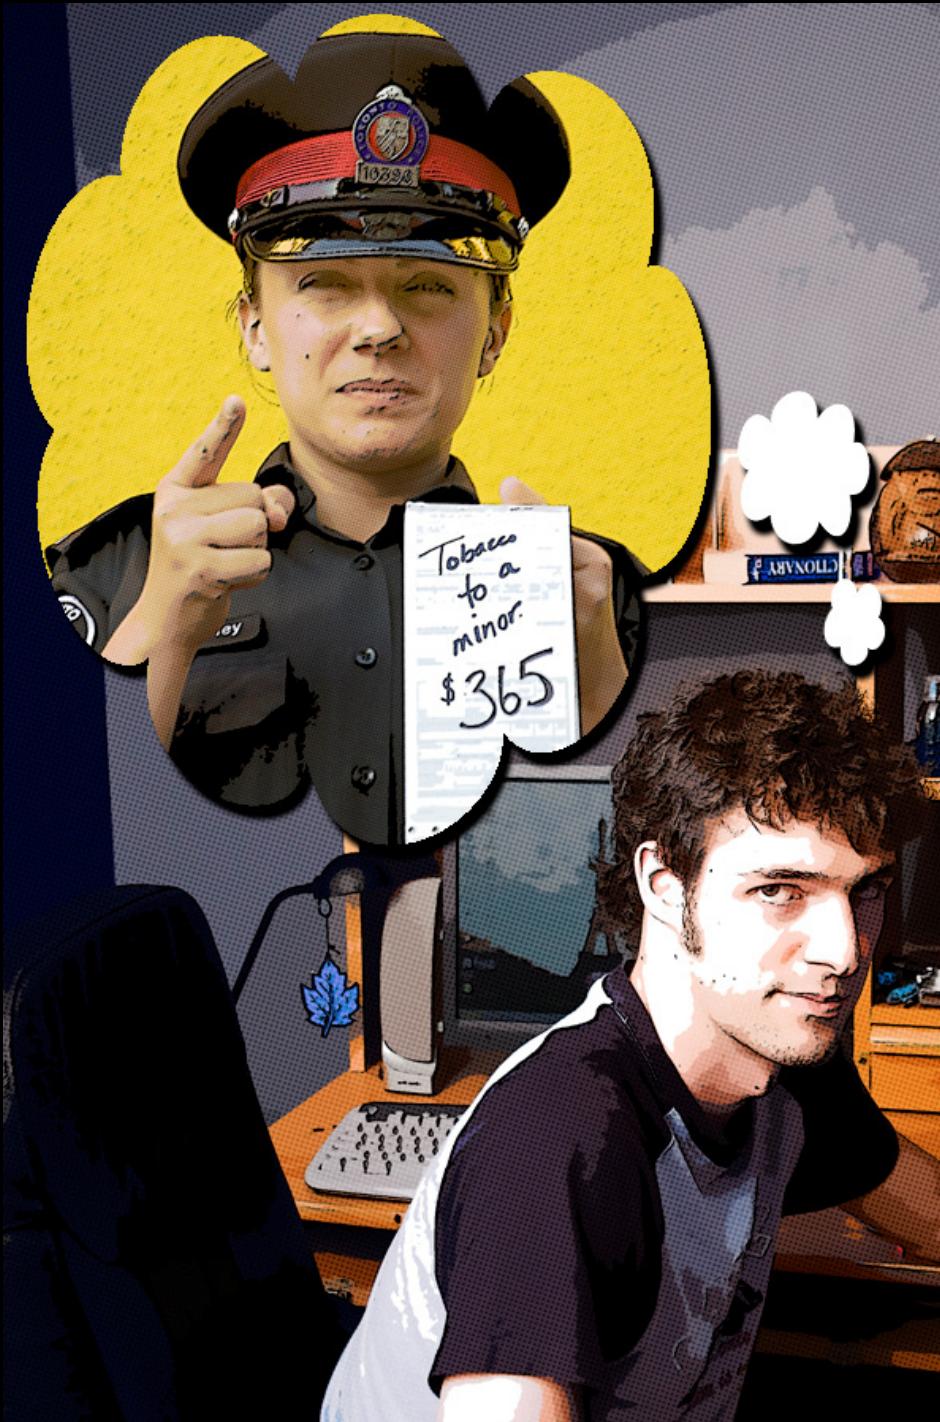

WHAT DOES ALEX SEE?

SNEAKY ALEX!

Should the brother give
Alex cigarettes?

Giving tobacco to anyone
under 19 is against the law!

NOT FOR YOU, ALEX!

LET'S
GO PLAY SOCCER
INSTEAD.

Alex goes downstairs...

NO LUCK WITH
MY BROTHER, BUT LOOK!
MOM HAS CIGARETTES TOO!
I'LL HAVE TO BE VERY
QUIET...

ALEX MAKES A NEW PLAN...

ALEX REACHES FOR HIS MOM'S PURSE...

BUSTED!

Should the mom give Alex
cigarettes?

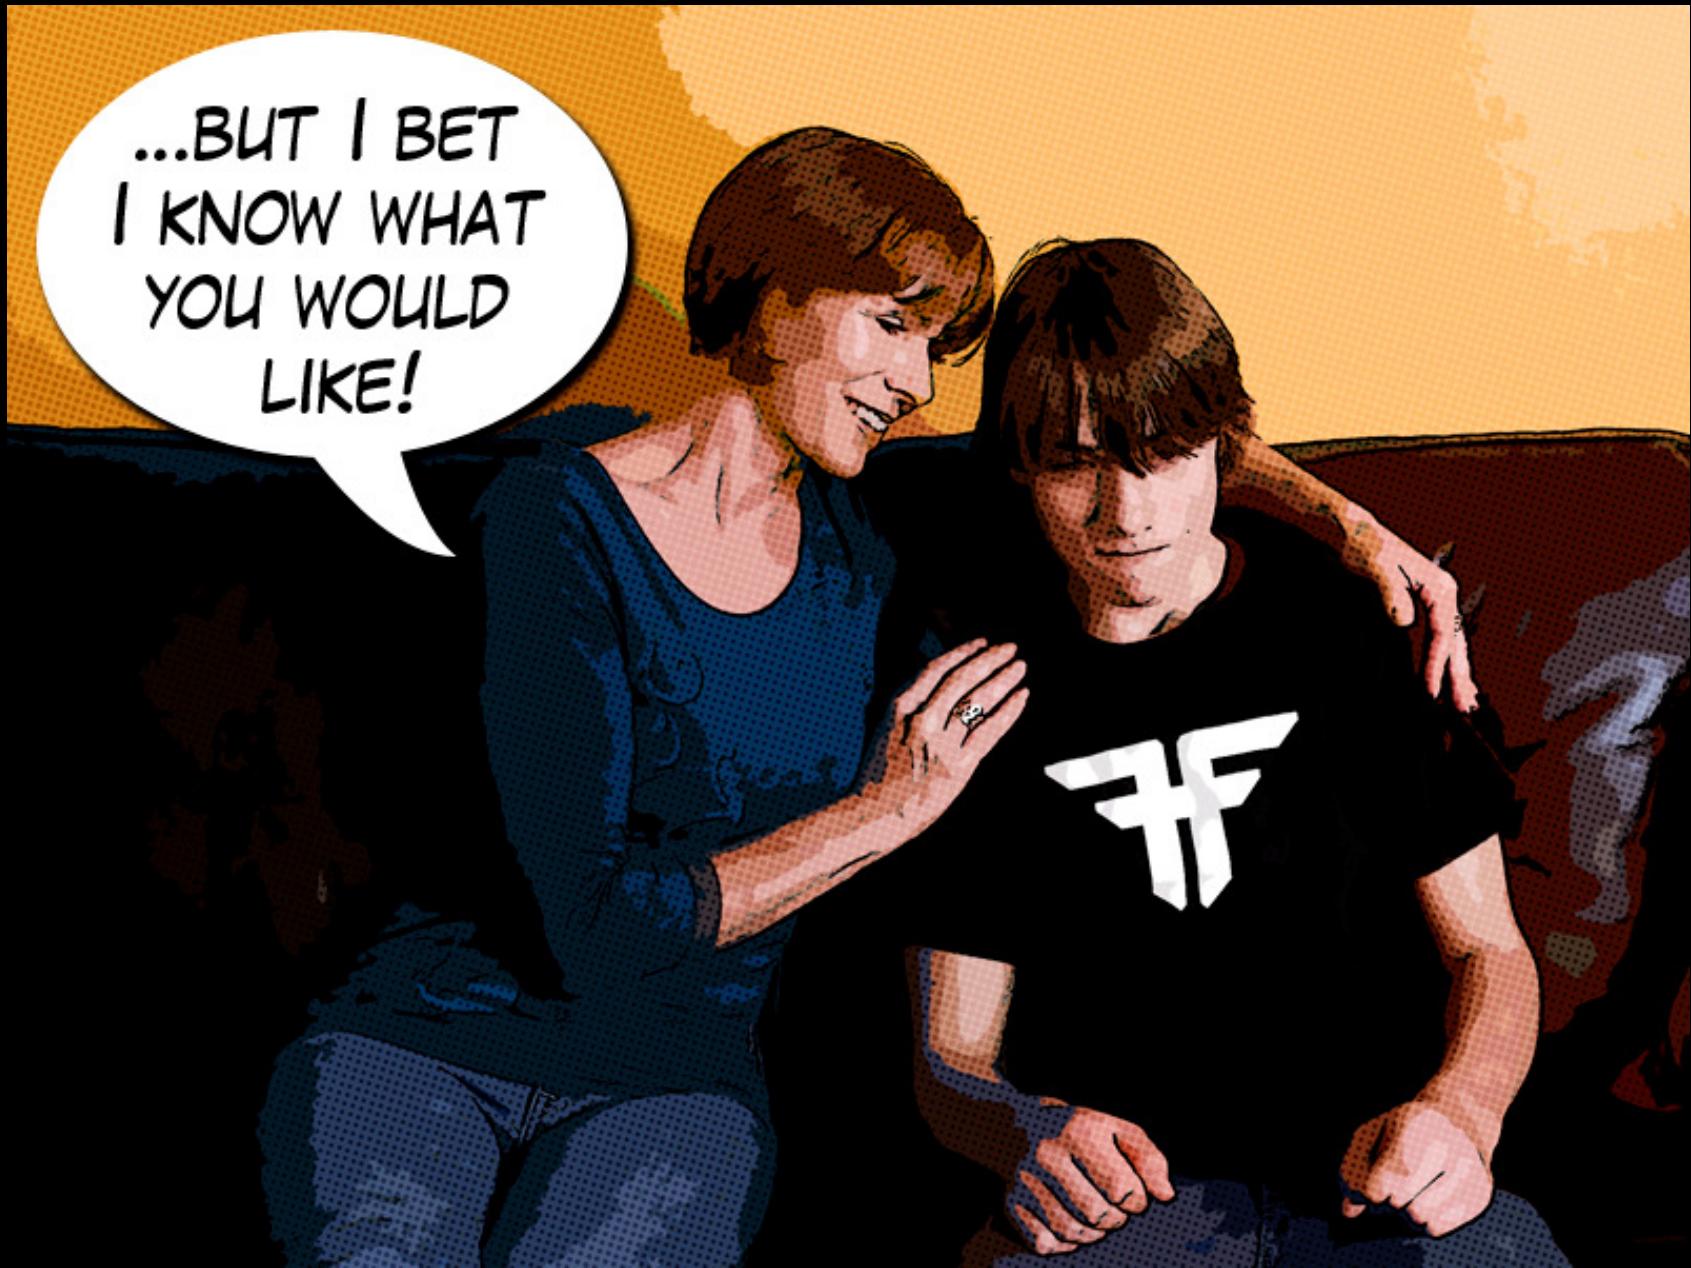

A woman with short brown hair, wearing a blue top, is sitting on a dark couch and pointing her finger at a young man. The young man has long brown hair and is wearing a black t-shirt with a large white 'F' on it. He is sitting with his hands clasped in his lap, looking down. The background is a yellow wall with a framed picture.

NO, NO ALEX!
CIGARETTES ARE NOT
FOR YOU...

...BUT I BET
I KNOW WHAT
YOU WOULD
LIKE!

= MWAH!! =

Alex tries something else...

WHAT A NICE DAY FOR SOME QUIET TIME...

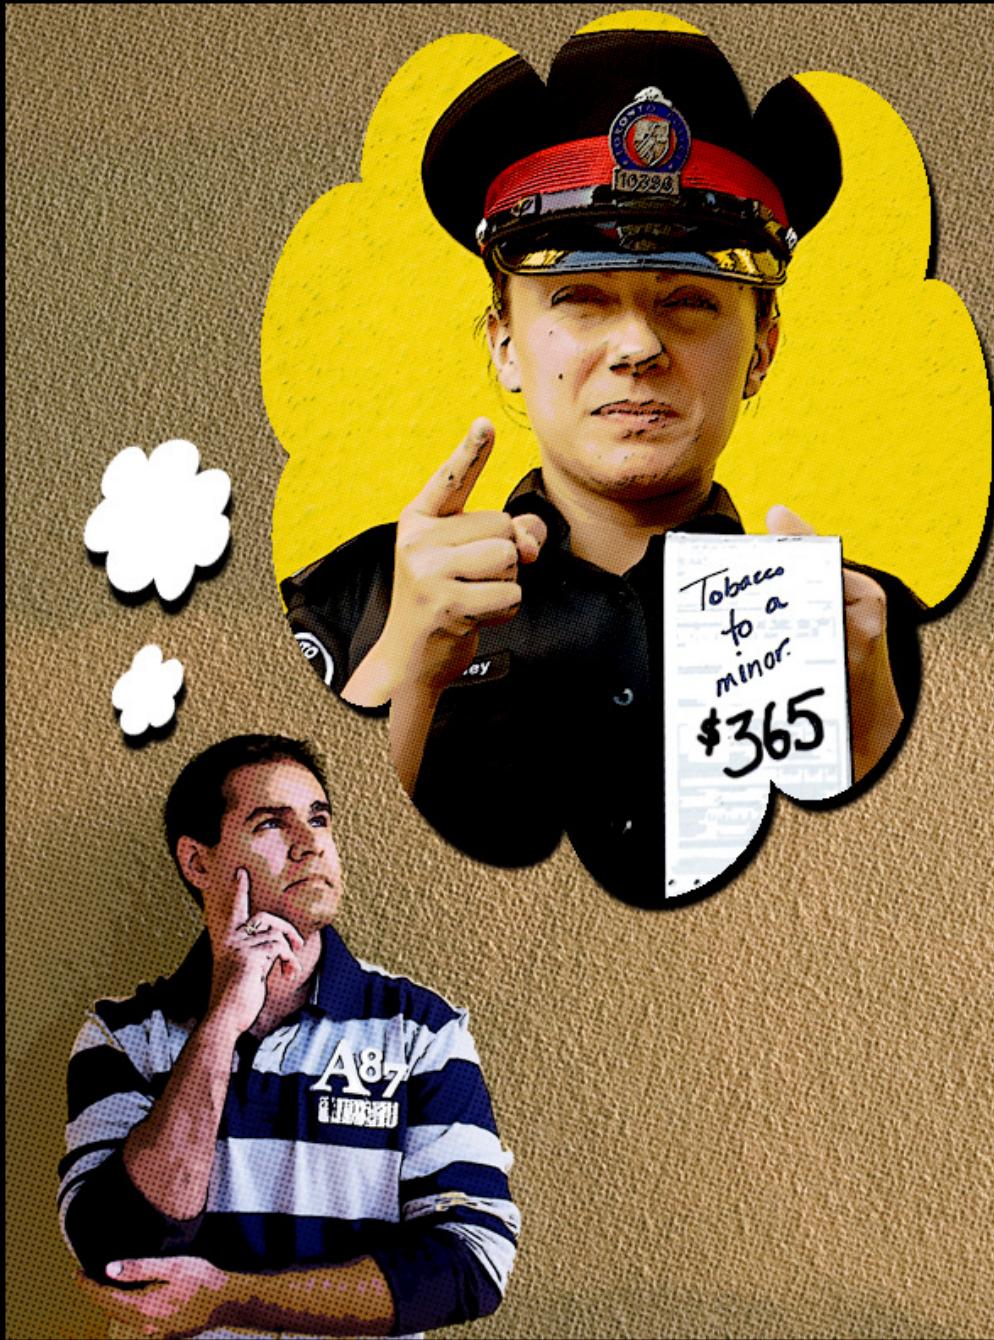

HEY MISTER!

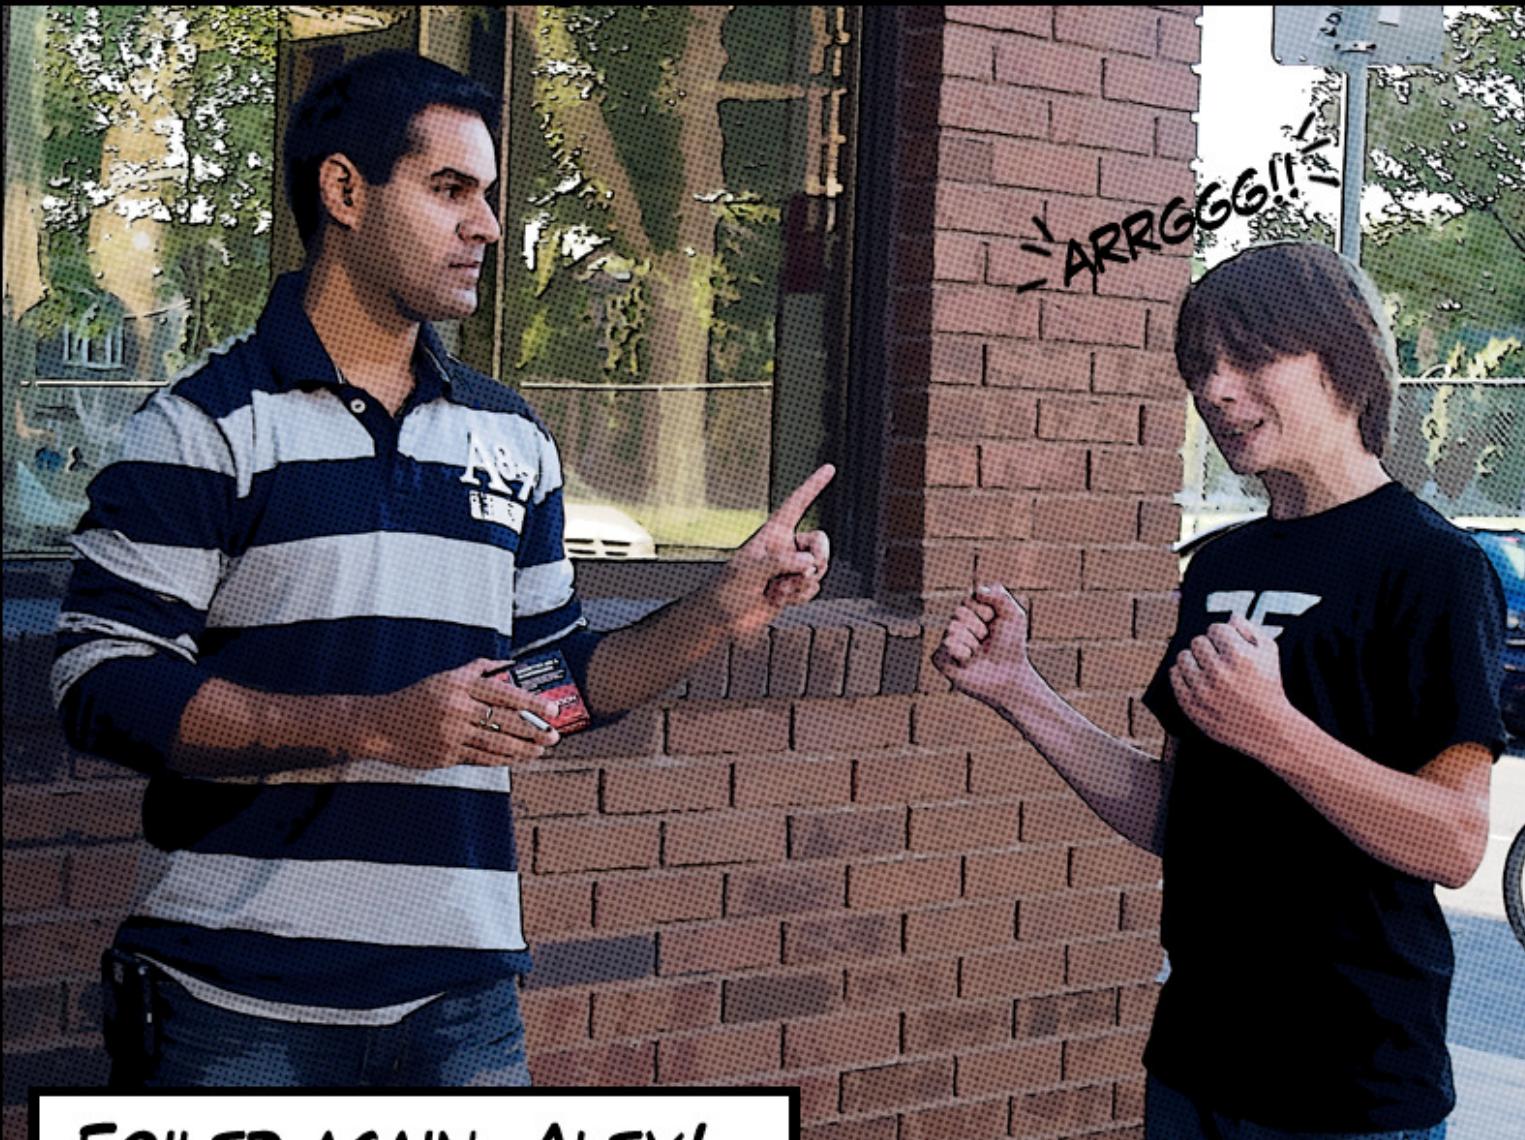

HUH?!

HEY MISTER!
CAN I BUY A CIGARETTE
OFF YOU?

Should the man give Alex
cigarettes?

FOILED AGAIN, ALEX!

Alex has one last hope...

WOW.
I ROCKED THAT
ADVANCED MATH TEST.
TIME FOR A NICE
QUIET BREAK.

Should the friend give Alex
cigarettes?

BUT WAIT! OUR HERO PAUSES...
HMM... DOES HE REALLY WANT TO SMOKE?

WE DON'T NEED
THESE TO BE COOL.
WHAT DO YOU THINK?

YOU'RE
RIGHT,
ALEX!

What lesson did
Alex learn?

What lesson did
Alex learn?

You don't need cigarettes
to be cool!

NOT TO KIDS
